GENERAL INFORMATION

• Rates do not include applicable local, state, and SMM / DRAC taxes. Rates are based on a maximum of 8 hours of operation per day, 40 hours per week, and 176 hours per month. Additional hours will be billed on a pro-rata basis.

• Billing is based on a calendar month

• Trucking is not included in the rental rate but is available upon request.

• A certificate of general liability insurance with rental coverage in an amount of at least \$1,000,000.00 for each occurrence is required when renting equipment. Colorado Machinery must be listed as certificate holder and loss payee on liability insurance.

• A certificate of insurance for property damage/casualty coverage is required in an amount not less than the replacement value of the equipment rented. Colorado Machinery must be listed as a certificate holder and loss payee on the property damage/casualty insurance. Customer may request a non-refundable physical damage waiver (PDW), as set forth below, which may be accepted in lieu of property damage/casualty insurance in Colorado Machinery's discretion, in which case the charge for PDW will be added. (DAMAGE WAIVER IS NOT INSURANCE)

PHYSICAL DAMAGE WAIVER (PDW): \$1,000 DEDUCTIBLE APPLIES

• PDW IS NOT INSURANCE! When the customer requests and accepts the PDW, damage or loss resulting from theft, burglary, misuse, abuse, conversion, vandalism, sabotage, intentional or negligent damage or destruction, or similar causes remain the customer's responsibility. A charge of 12% of the rental amount will be imposed for the PDW. In exchange for the PDW, Colorado Machinery will accept the risk of loss due to acts of God, subject to the \$1,000 deductible which remains the customer's responsibility.

RENTER / CUSTOMER RESPONSIBILITIES:

• Proper maintenance and operation.

• Return equipment in good operating condition.

• Machines are rented with a full tank of fuel. Customers will be charged for fuel replacement.

• Transportation can be arranged at the customer's request. Any associated charges will be billed to customer.

• Damage to equipment.

• Daily inspections, lubrication and maintaining fluid levels.

• Performing service on equipment at every 250 hours.

• Tire/Track damage and excess wear. Only approved tire repairs are acceptable. (no plug repairs)

• Return machine clean. Customer will be charged if machine is returned dirty.

• Ground engaging tool replacement (buckets, teeth, cutting edges, shanks, etc.)

• Damage to water trucks and tank systems due to freezing.

• Hold Colorado Machinery harmless from all claims, liabilities and expenses resulting from customer's use and operation of the equipment.
